Interview Project

Checklist for Interview Project

Before the Interview

- Create interview questions.

During the Interview

- Ask the person if you can use their real name in the project, or if they prefer a pseudonym.
- Ask them your questions. (Be sure that you are audio recording!)
- Take a selfie with the person you are interviewing (Ask permission first. Only take photo if they allow it!)
- Thank the person for their time.

After the Interview

- Listen to the audio recording. Decide what important details you want to share for your presentation.
- Create a map indicating where the person you interviewed came from.
- Write up an explanation of their immigration process and the challenges the person you interviewed faced in America.
